LEADERSHIP BOZEMAN 33

AUGUST 2020 to MAY 2021

Testimonial

Innovative, invigorating, impressive, life-long friendship and most of all FUN—all words to describe Bozeman Chamber’s best program, Leadership Bozeman. This program engages and invigorates anyone who’s community minded. The Chamber’s large membership has many impressive leaders who continue to cultivate and grow other generations of our community. These individuals yearn to leave a long lasting impact to our community; from past, current and future program participants. Building a stronger community while educating each Leadership Bozeman attendee, this program brings awareness of our local community and gives each of us a story to bring home to our family, business and friends. Leadership Bozeman is a must.
